

Rendezvous Portal - The perfect online venue booking solution for smaller spaces and late meetings

Less than
50%
of venues offer
**ONLINE
BOOKING**

On average **60%** of
smaller rooms are
unoccupied at
anytime

35 million people in the
UK have a smartphone

Is your venue maximising revenue from smaller rooms and late meetings?

Rendezvous Portal is a step-change in software that allows venues to offer the kind of easy booking that has already transformed hotel reservations. Low-cost and easy to deploy, it presents your selected spaces available to book 24/7, so customers can snap up smaller rooms and book late meetings – anytime, anywhere!

BENEFITS OF THE RENDEZVOUS PLATFORM

Rendezvous Portal gives your customers

- Easy online enquiry and booking, 24/7
- Catering, VC and AV booking
- Online payment
- Great customer satisfaction.

Rendezvous Portal gives venues

- Increased revenue from smaller rooms and late meetings
- Easy rates and yield management
- Quick and simple deployment with SaaS.

Rendezvous Portal User Journey

Deploy the power of the Rendezvous Portal for your venue today!

With seamless integration to the powerful Rendezvous Events software, the Rendezvous Portal is the perfect answer to boosting revenue from smaller rooms as well as late meetings – and it's so convenient, customers will love it too!

Find out more about how this low-cost, easy-to-deploy solution can drive up your revenues and fill unused venue space.
