

A GREAT DIGITAL EMPLOYEE EXPERIENCE

1

Driven by an intuitive mobile app

Floorplan based room and desk
availability – find and book in seconds

2

Easy colleague search – great for collaboration

3

Instant notification of bookings and
cleaning status of desks and rooms

4

Efficiently order services like
catering and AV

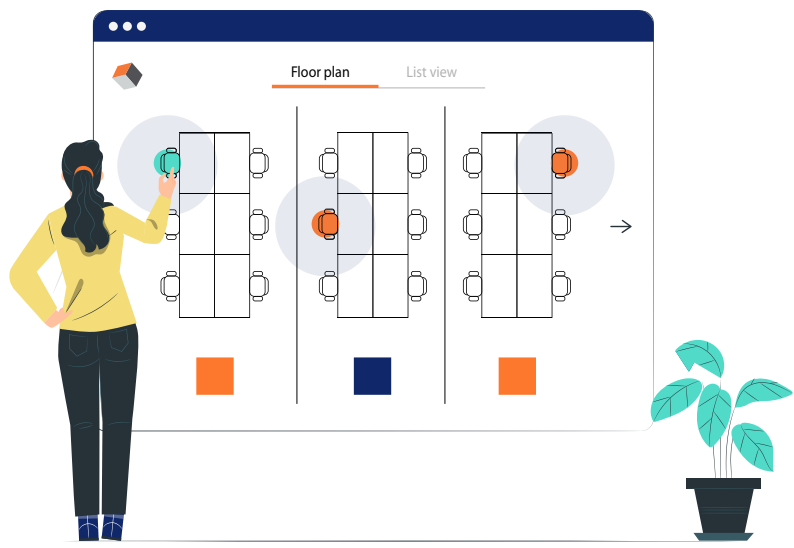

5

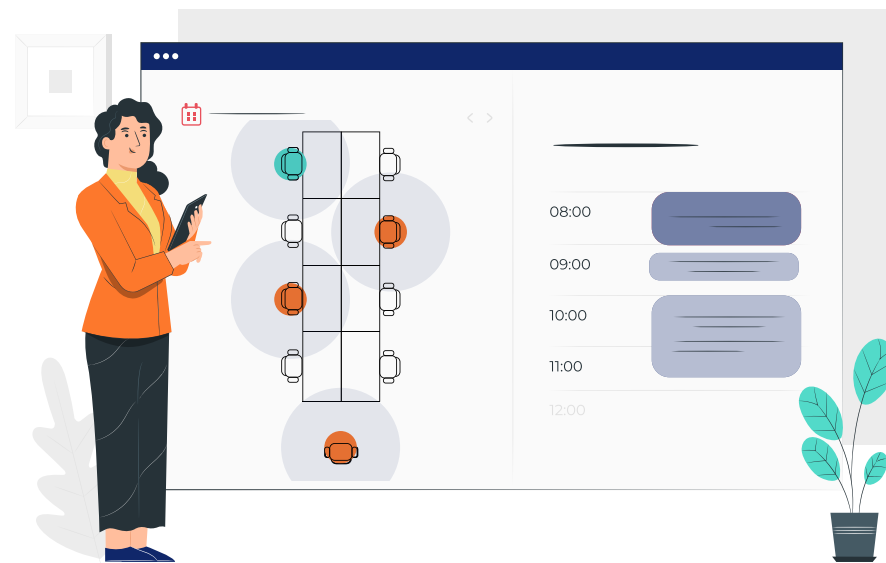

Manages and simplifies multi location
video conference booking

6

7

Locate booked space using digital signage
and wayfinding

Check room availability, schedule and
extend bookings using meeting room panels

8
